## COUNTER BLOWS EFFECTIVE

Germans Enter Many English Posi-  
tions in Flanders only to Be  
Forced Back Again—Halt's  
Men Are Forced to With-  
draw From Gas-Fill-  
ed City.

With the British Army in France  
and Belgium, April 11—The Germans  
this morning were in possession of  
about half of the village of Ploeg-  
steert and Ploegsteert wood on the  
Flanders battlefield just to the north  
of Armentieres.

The fighting was continuing this  
morning north of Armentieres with  
the British still holding Messines  
Ridge and Wytschaete, which yester-  
day changed hands several times.

During the day the enemy suc-  
ceeded in entering not only these pos-  
itions, but La Creche, Nieppe and Hol-  
lebeke. Vigorous counter-attacks  
forced the enemy from all these  
places.

London, April 11—The British have  
withdrawn from Armentieres, on  
the northern battlefield the War Of-  
fice announces.

Violent fighting continues all along  
the front from La Bassée canal to the  
Ypres-Comines canal.

On the front north of Armentieres  
heavy fighting was continuing late  
last night. There was little change in  
the British positions.

The statement follows:  
"The battle is continuing on the  
whole front from La Bassée canal to  
the Ypres-Comines canal.

"Severe fighting has taken place in  
the neighborhood of the Lawe and  
Lys canal, about Lestrem to Armen-  
tieres. Our troops have been with-  
drawn from Armentieres, which is full  
of gas."

"North of Armentieres there is lit-  
tle change in the situation. Heavy  
fighting was continuing at a late hour  
last night in the neighborhood of  
Ploegsteert, Messines and Wytschaete.

"On the remainder of the British  
front there is nothing to report."

## Germans Push on West of Armen- tieres

London, April 11—The Germans  
pushed on yesterday from Croix du  
Bac, southwest of Armentieres, and  
parties of them are reported in the  
neighborhood of Steenwerck (about  
five miles west of Armentieres), Reu-  
ter's correspondent at British head-  
quarters reports.

Yesterday noon the enemy occupied  
Lestrem, but in the course of the af-  
ternoon the British drove him out and  
across the river Lawe.

## French Inflict Big Losses on Germans

With the French Army in France,  
Tuesday, April 9—The pre-arranged  
rectification of the French lines to the  
south of Brailis gave to the Germans  
scarcely a shadow of advantage tacti-  
cally, while it cost them wholly dis-  
proportionate losses. Since their ad-  
vance they have been much harassed  
by the French outposts in the marshy  
lands and have been unable to carry  
out any operations.

Strong concentrations of German  
troops have been observed behind the  
German lines at several points today,  
but their movements were greatly in-  
terfered with by the French airmen  
and gunners who left them little  
peace.

## American Marines Have Landed at Vladivostok

Harbin, Friday, April 5—American  
marines have been landed at Vladi-  
vostok as well as British and Japa-  
nese forces according to advices from  
that place. The Americans are in  
control of the docks while Japanese  
are guarding the railway and ammuni-  
tion depots.

Mrs. R. B. Viero of Cleveland, O.,  
has returned home after a visit of sev-  
eral days with her mother, Mrs. Susan  
Roden, and other relatives.

Miss Frances Cochran is ill with  
pneumonia at the home of her par-  
ents, Mr. and Mrs. W. D. Cochran.

Mrs. J. L. Cooper of Reeterville and  
Miss Pollitt of Jackson, Ky., passed  
through Maysville yesterday.

Miss Zoryada Cochran is confined  
to her home on East Second street  
with the German measles.

Miss Mary George Newdigate has  
resigned her position with the Mays-  
ville Telephone Company.

Prof. W. J. Caplinger and family  
are moving into their new home at  
711 East Second street.

## WHAT'S THE REASON?

Many Maysville People in Poor Health  
Without Knowing the Cause.

There are scores of people who  
drag out a miserable existence with-  
out realizing the cause of their suffer-  
ing. Day after day they are racked  
with backache and headache; suffer  
from nervousness, dizziness, weak-  
ness, languor and depression. Per-  
haps the kidneys have fallen behind  
in their work of filtering the blood and  
that may be the root of the trouble.  
Look to your kidneys, assist them in  
their work—give them the help they  
need. You can use no more highly  
recommended remedy than Doan's  
Kidney Pills—endorsed by people all  
over the country and by your neigh-  
bors in Maysville.

Mrs. W. A. Schatzmann, 605  
East Second Street, says: "From  
the benefit I have received from Doan's  
Kidney Pills, which I buy at Chan-  
sor's Drug Store, I have every reason  
to recommend them. Whenever my  
kidneys have been irregular in action  
or I have suffered from weakness and  
lameness in the small of my back, I  
have used Doan's Kidney Pills. They  
have always proven sufficient to quick-  
ly cure and attack."

Mrs. Schatzmann is only one of  
many Maysville people who have  
gratefully endorsed Doan's Kidney  
Pills. If your back aches—if your  
kidneys bother you, don't simply ask  
for DOAN'S KIDNEY PILLS, the  
same that Mrs. Schatzmann uses—the  
remedy backed by home testimony.

## AMBULANCE FOR BARROW UNIT

To Be Furnished by Kentucky Equal  
Rights Association According to  
Letter Received By Miss Alice  
Lloyd—Donation to Be Made  
By Local Unit.

The following letter, received by  
Miss Alice Lloyd from Mrs. John  
Glover South, is self explanatory:  
Frankfort, Ky., April 10, 1918.

Miss Alice Lloyd,  
Maysville, Ky.

My Dear Miss Lloyd:  
At the State Suffrage Convention  
last November a resolution was passed  
that the Kentucky Equal Rights  
Association raise funds for an ambu-  
lance to be named the "Laura Clay  
Ambulance" in honor of our great pio-  
neer President, who for twenty-five  
years kept the Suffrage organization  
alive in this state and blazed the trail  
through prejudice and opposition.

The Convention also noted that Miss  
Clay should have the privilege of de-  
termining the unit or hospital to  
which the ambulance should be given.  
She has chosen the Barrow Unit, a  
Kentucky Hospital Unit, headed by  
the distinguished Kentucky Surgeon,  
Dr. David Barrow. The Unit is leav-  
ing soon and we are making a great  
effort to have our ambulance go with  
it.

Will you call a meeting of your  
League, put this matter before the  
members and urge them to make a  
donation to this splendid enterprise.  
If you cannot raise the money at once,  
let me know what you feel you can do,  
and we will arrange for you to send  
your donation a little later.

Don't fail to respond.  
Mrs. E. L. Hutchinson, 631 East  
Main street, Lexington, Ky., and Mrs.  
Desha Breckenridge of Lexington are  
in charge of this work. Checks should  
be mailed to Mrs. Hutchinson.

Hoping to hear very soon that the  
suffragists of your town and county  
will contribute to this noble effort to  
bring our boys wounded in the strug-  
gle for our liberty to be healed by  
the skill of our Dr. Barrow with his  
corps of Kentucky doctors and nurses.  
I am,

Most cordially yours,

CHRISTINE BRADLEY SOUTH,  
(Mrs. John Glover South),  
President Kentucky Equal Rights As-  
sociation.

No doubt Mrs. Breckenridge and  
Mrs. Hutchinson will embrace the op-  
portunity to give further information  
on this subject that so appeals to our  
hearts and our loyalty to our boys  
"over there" at the meeting at the Ma-  
son County Woman's Club Saturday  
morning at 9 o'clock. Come and hear  
them.

## SUCCESSFUL FARMERS

The Ripley (O.) Bee says: By way  
of illustrating what a farmer can do  
by hard work with a little good luck,  
August Perrault told us about his  
brothers one day last week. Joe Per-  
raut, who until recently resided near  
Minerva, Ky., started in life for him-  
self 26 years ago by marrying a poor  
girl and buying a small farm with \$1-  
200 his sole capital. He proved a suc-  
cessful farmer and in the past few  
years has bought and sold three farms  
clearing \$16,450 net on the three  
transactions. On the last place (317  
acres) he cleared \$9,000 net, raising  
30,000 pounds of tobacco averaging  
2200 pounds per acre. This amount  
was his share of the tobacco, not in-  
cluding that of tenant's. Beside, he  
realized a good sum on other crops,  
stock, etc. Along in the early part of  
the present year he paid \$50,000 for  
the William Bell place, four miles  
from Maysville on the Flemingsburg  
pike, and probably has an equal  
amount left in bank. Another brother  
Louis Perrault, of Cynthia, Ky.,  
has accumulated approximately \$100-  
000 farming and buying tobacco;  
clearing the great part of this amount  
some ten or twelve years ago when he  
bought a large purchase of tobacco  
at a very low figure. Gus's third  
brother George, lives in Mason county,  
Ky., and is a prosperous stockman  
and farmer, although not as "well fix-  
ed" as Joe and Louie. Farming, es-  
pecially at the present time, offers a  
golden opportunity to a young man.  
The case of the Perrault brothers is  
only one example of a score we could  
mention. Perhaps you know of some  
yourself. We advise young men to  
farm—not alone for the financial ad-  
vantages—but because it offers a  
clean, moral, independent life.

ufactured for the American Red Cross

ing to word from national headquar-  
ters. The lake division stands sec-  
ond in the list of 14 divisions of the  
country. In February the division  
turned in more than 3,000,000 articles

## MRS. LEWIS OF BROOKLYN

Tells How She Was Made  
Well by Lydia E. Pink-  
ham's Vegetable  
Compound.

Brooklyn, N. Y.,—"For one year I  
was miserable from a displacement,  
which caused a general  
run-down condition with head-  
aches and pains in  
my side. My sister  
induced me to try  
Lydia E. Pinkham's  
Vegetable Compound. I found it  
helped me very  
much and such a  
splendid tonic that  
I am recommend-  
ing it to any woman  
who has similar  
troubles."—Mrs. ELISE G. LEWIS, 80  
Vernon Ave., Brooklyn, N. Y.

Such conditions as Mrs. Lewis suf-  
fered from may be caused by a fall or  
a general weakened run-down condition  
of the system, and the most successful  
remedy to restore strength to muscles  
and tissue and bring about a normal  
healthy condition—has proved to be this  
famous root and herb medicine, Lydia  
E. Pinkham's Vegetable Compound.  
If you have disturbing symptoms you  
do not understand write Lydia E. Pink-  
ham Medicine Co., Lynn, Mass. The  
result of their 40 years experience is at  
your service.

LENROOT'S MAJORITY 15,267 OVER  
HIS DEMOCRATIC OPPONENT—  
VICTOR BERGER'S  
VOTE 110,487  
Madison, Wis., April 10—Irvine L.  
Lenroot, Republican, was elected  
States Senator at the recent election  
by a majority of 15,267 votes, accord-  
ing to complete figures before the  
State Canvassing Board today. The  
total vote for Lenroot was 162,980;  
for Joseph E. Davies, Democrat, 148-  
713, and for Victor L. Berger, Social-  
ist, 110,487.

## LITTLE FEAR FELT FOR NEW GARDENS AS RESULT OF WEATHER TURN

Although the snow and cold of Wed-  
nesday will likely thin the pears,  
plums and cherries now beginning to  
bloom, peaches which were the vic-  
tims of the spell in December, the  
sturdier apples, grapes, berries and  
brush fruits will probably escape un-  
scathed. Amateur gardeners and  
truck gardeners were dismayed by  
the cold weather and snow, but dam-  
age will not be great, it is believed.

In the Mason Circuit Court yester-  
day the case of the Commercial Cred-  
it Company against Elliott & Red-  
nower was dismissed having been  
settled out of court.

Mr. and Mrs. P. J. Murphy returned  
home yesterday after a short visit to  
Cincinnati.
